

Rocky River Reservation

Southern Section

Legend

Mount Pleasant Loop Trail - 1.5 miles. This hilly trail runs along wetlands up to an older oak forest. The big trees with wide, spreading branches indicate that this area was once a pasture.

Shepherd Lane Trail - 0.2 miles. This trail meanders by wetlands between Shepherd Lane and the Wildlife Management Trail.

Wildlife Management Loop Trail - 1.5 miles. Experience a myriad of habitats along this level trail. The wetlands it crosses are in the former channel of the West Branch of the Rocky River.

West Channel Pond Loop Trail - 0.5 miles. This level trail encircles the pond and its associated wetlands. Most of the year, many wetland birds and animals can be seen.

Fort Hill Loop Trail - 1.3 miles. This hilly trail climbs to the top of Fort Hill which earned its name from its ancient earthworks. Views of Rocky River, 100 feet below, are wonderful all year.

Woodland Loop Trail - 0.3 miles. This trail is paved and nearly level. It visits the wildflower garden and offers views of the Rocky River.

Cedar Point Loop Trail - 0.4 miles. This trail follows the edge of the valley of the Rocky River West Branch to Cedar Point. Enjoy extraordinary views of the river at many points along the trail.

Lagoon Loop Trail - 0.6 miles. This level trail follows the edge of the lagoon wetland and also is on the all purpose trail for a short distance.

All Purpose Trail - 13.6 miles of paved trail for activities like cycling, walking, and in-line skating. Motorized vehicles are prohibited.

Bridle Trail - These markers denote specific bridle trails which are indicated by the number following the prefix "RR". Bicycles and motorized vehicles are prohibited.
RR1 - 12.1 miles RR2 - 2.1 miles RR3 - 1.2 miles
